

Vetro Colors Tessuto Royal Blue Shine

Tessuto Vetro mosaics from BREZZA Design Italy stand out for their beautiful blue color, inspired by this year's trend color, according to Pantone. Its striking flared shape and interlocking pattern makes this mosaic one of a kind and adds considerable aesthetic value to your designed space. It is a beautiful mosaic designed to shine by itself and stand out.

The Tessuto Vetro by BREZZA Design Italy, are glass mosaics covered with a shiny Royal Blue enamel. Its striking elongated shape and its small pieces form a unique and special mosaic, undoubtedly on trend. Due to its composition, the mosaic does not absorb water and therefore does not stain. It is resistant to temperature changes, and situations that can affect its appearance, however, if this mosaic is located on floors, it is recommended that it be in a low traffic space.
